New Business:

Rick Lewis was present representing the Kolosky family who are in the process of selling property in Sturgeon Lake Township that has access via Wold Road. The potential buyer is looking for assurances that the unmaintained public road will not be abandoned or vacated unless approved by all the affected landowners. Lewis presented an attorney's letter that outlined the specifics that had been approved by the Sturgeon Lake Township Board. Now they are looking for approval from the Silver Township Board. The attorney will draw up the same letter for Silver Township. After discussion Grimm moved, Nett seconded to give approval to the Chairman of the Board to sign the letter when received from Lewis.

Grimm moved and Nett seconded to approve signing the Annual Road Mileage Certification form and submit to Carlton County.

Nett reported on the meetings that the Carlton County Fire Departments are having to address the shortage of volunteers and how to better provide fire service for the entire county. A number of options have been offered. There will continue to be more meetings to come up with a county wide plan.

Chairman Isaacson reported that Rydberg has started hauling gravel to township roads. He also reported that Hurst will be installing culverts around Labor Day. The Dead End sign on Carlson Road has been installed. A Dead End sign is needed on North Silver Road.

Marilyn John was present and has agreed to serve as Deputy Treasurer for the rest of the year. Grimm moved and Nett seconded to approve appointing Marilyn John as Deputy Treasurer.

Clerk Carlson reviewed the expected expenses for the rest of the years and the potential movement of funds from the General fund to the Road and Bridge fund.

The next meeting is September 17th at 7:00pm

With no further business, Grimm moved and Nett seconded to adjourn the meeting

Respectfully Submitted, Mark Carlson Town Clerk
